Members in Black/MIB Private Security

Sociable City **SUMMIT**
@SOCIABLECITY #RHISUMMIT24

Women in Security and Protection

Benefits of Female Security/ Protection Detail

- Conflict resolution/ Mind over muscle
- Less use of force
- Stature
- Stealth and blending
- Protected persons/ kids
- Analytical problem-solving
- Less complaints and lawsuits filed
- Public perception

Women in Security and Protection

Benefits of Female Security/ Protection Detail

- Overall job performance/ detail oriented
- Workplace culture
- Change the norms
- Breakdown existing barriers
- Inspire the future

Take the Good with the Bad

- Sexual Harassment
- Discrimination
- Stereotypes
- "You can put those handcuffs on me anytime"
 - until you put the handcuffs on!
- Lack of peer support
- Personal relationships
- Identity crisis
- Perceived loss of femininity

THANK YOU!
